

**6<sup>th</sup> January, 2020**

**Message to: Depositors, Creditors and Lessees of ATLANTIC INTERNATIONAL BANK LIMITED**

This is a **REMINDER of NOTICE** that the Liquidator of Atlantic International Bank Limited has prepared for filing with the Central Bank of Belize a schedule of the actions proposed to be taken for the purpose of the compulsory winding-up of Atlantic International Bank Limited and the schedule will be filed with the Central Bank of Belize today, 6<sup>th</sup> January 2020.

The Schedule will be available for inspection at Atlantic International Bank Limited's Office in Belize City as required by law and a summary of the Schedule will be posted on the liquidation website.

The schedule can be inspected from the **7<sup>th</sup> day of January, 2020 at 2 p.m.** at Atlantic International Bank Limited's office, 828 Coney Drive, Belize City, Belize. It will be a permanent record of the liquidation process and can be reviewed at any time.

Please be reminded that a depositor or other creditor or shareholder or other interested persons of Atlantic International Bank Limited has **twenty (20) days** from the filing of this schedule of proposed actions to file objections with the Central Bank to any action proposed in such schedule.

The complete Schedule contains information on each claim against Atlantic International Bank Limited with details of the names, accounts and amounts held by each depositor as well as details of the assets (including loans and advances) of Atlantic International Bank Limited. In order to protect the privacy and confidentiality of claimants and borrowers, the document will not be published in its entirety on the website nor will it be emailed.

The summary which will be presented on the website will be consistent with the information contained in the complete document, except for detailed information on claims and account balances. Each claimant by now would have received a response to his/her claim and would therefore not need to view that information from the Schedule. In other words, each claimant would have sufficient information to file an objection to the result of his/her claim.

If an interested party seeks to object to any other proposed action in the Schedule, then the summary offers sufficient information to do so, if that person is unable to visit the Atlantic International Bank Limited liquidation office in Belize City.
